SECTION 3—MISCELLANEOUS

Proceedings of the Government of His Highness the Maharaja of Mysore,

No. G. 4957-96 / G. M. 183-06-16

GENERAL AND REVENUE SECRETARIAT,
Dated Bangalore, 8th February 1907.

CIRCULAR.

In inviting attention to Government Proceedings No. G. 3313-53—G. M. 177-05-32, dated the 28th November 1906, forwarding for information and guidance, corrected lists showing the designation of officers authorized to use service postage labels under their frank for official correspondence posted within and outside the limits of the State, it is observed that as it is inconvenient to make references at odd intervals to the Residency for incorporating the additions and alterations proposed from time to time by Heads of Departments and Deputy Commissioners in the lists, it has been decided to make such references only once a year, namely, on the 1st July.

Heads of Departments and Deputy Commissioners are therefore requested to submit their proposals for such additions and alterations a month before the said date. Proposals received after the due date will be considered along with those for the succeeding year.

In submitting such proposals, the designation of officers whose names are proposed to be added to the lists should be stated and the reason for the inclusion of their names clearly set forth. The treasuries from which these officers will get their supply of service postage labels should also be intimated for communication to the Postal authorities.

By Order,
K. S. CHANDRASEKHARA AIYAR,
Secy. to Govt., Gen. & Rev. Depts.

To—All Heads of Departments.
The Deputy Commissioners of Districts.
The Presidents of the Bangalore and Mysore City Municipalities.
The President of the Board of Trustees, Mysore City Improvement.

No. G. 5013—52, DATED BANGALORE, 9TH FEBRUARY 1907.

ORDER.—The Government have noticed that, in communications received from certain officers in reply to letters or orders issued from this office, the issue number of this office communication is alone given in some instances, the letter of the alphabet prefixed to it, which indicates the branch of this Secretariat to which the particular subject belongs, being omitted; while in a few cases the conventional letter or group of letters noted below the issue number indicating the recognised head of correspondence or section of the branch to which the communication relates, is not given. This necessarily causes inconvenience and sometimes delay in referring the paper to the branch concerned. While, therefore, inviting the attention of Heads of Departments and Deputy Commissioners to Government Order No. 20581-615—G. 4657, dated 28th May 1904 (published on page 89 of the Revenue Manual of 1901), it is requested that they will see that whenever communications

from this office are referred to by them in their dockets or letters, the number together with the letter or group of letters of the alphabet indicating the branch as well as the section relating to it, is invariably given.

Government Proceedings No. 1075-9, dated 26th August 1905, passing orders regulating the affairs of the Sri Anjaneyaswami temple at Kyamenahalli in the Koratagere Sub-Taluk.

Dockets Nos. 574 and 573, dated 29th December 1906 and 2nd January 1907, from the Deputy Commissioner, Tumkur District, recommending the raising of fees levied on cattle, etc., brought for sale during the Jatra of the said temple and also the remission of the assessment on the lands gifted to the institution.

No. 5859-60—Muz. F. 29 of 1902, dated Bangalore, 13th February 1907.

ORDER THEREON.—In the Proceedings of 26th August 1905, read above, the Government sanctioned the levy of fees as particularized in the margin on cattle brought for sale during the Jatra of the Sri Anjaneyaswami temple at Kyamenahalli in the Koratagere Sub-Taluk. The Dharmadarsis of the Institution pray that the fees on grown up cattle may be raised to two annas per head and those on calves to one anna per head which are the rates levied at the Jatra of the Ghate Sri Subrahmanyaswami temple in the Dodballapur Taluk. The Deputy Commissioner supports the prayer. His recommendation is sanctioned.

One anna on grown up cattle.
Half an anna on calves.

2. The Dharmadarsis also state that out of the 206 acres and 34 guntas obtained by the devotees of the temple on darkhast and made over to the Institution, only 29 acres and 22 guntas are under cultivation and that the rest is required more as a gathering ground for cattle than for purposes of cultivation, and they urge that the assessment of Rs. 52-8-0 imposed on the whole extent of the lands in question may be remitted. With reference to this point, the Government observe that they have already helped the temple by sanctioning the levy of cattle fees and they are of opinion that the Institution ought to be able to pay the assessment out of the temple income from that source. Under these circumstances the Government are not prepared to forego the kandayam on the lands in question as prayed for by the Dharmadarsis who should be informed accordingly by the Deputy Commissioner.

READ AGAIN THE FOLLOWING:—

(1) Late Chief Commissioner's Proceedings No. 11545—G. 227, dated 13th March 1879, prescribing a scale of expenditure to be incurred in temples in connection with the visit of His Highness the Maharaja of Mysore thereto:—

"ORDER.—As it is considered desirable to regulate the scale of expenditure to be incurred in receiving His Highness the Maharaja with fitting ceremony on the occasion of His Highness' visit to any temple in the Province, and to provide means for meeting the charge without indenting on the Temple Surplus Funds, the Chief Commissioner directs that the expenditure to be incurred during each visit of His Highness be limited to Rs. 10 in the case of a Vishnu Temple and to Rs. 5 in the case of others. Within the limit fixed the charge actually incurred will be defrayed under the orders of the Amildar of the Taluk wherein the temple is situated, and debited to the Taluk contingencies.

"2. Whenever it is deemed necessary to incur a larger expenditure than that prescribed in the preceding para, the special sanction of the Deputy Commissioner should be obtained, and the extra or additional charge will be met out of the District contingent allowances."

(2) Government Proceedings No. 375-84—Muz. F. 150-92, dated 7th September 1901, sanctioning with certain observations, a portion of the expenditure incurred on the occasion of His Highness the Maharaja's visit to the Sri Narayanaswami temple at Melkote in November 1900, and regulating the scale of expenditure on future occasions.

AND READ—

Correspondence ending with letter No. 174, dated 6th November 1906, from the Deputy Commissioner, Mysore District, submitting for sanction, bills of expenditure incurred in connection with the visits of His Highness the Maharaja to the Sri Srikanteswaraswami temple at Nanjangud.

No. 3936-46—Muz. F. 165 of 1892, dated Bangalore, 15th February 1907.

Order thereon.—From the correspondence ending with the Deputy Commissioner's letter of the 6th November 1906, read above, it is observed that on each occasion of the visit of His Highness the Maharaja and the members of His Highness' family to Nanjangud, it is usual for the temple authorities (1) to take *Purna Kumbha* from the temple to the *Istakapal* place, and after making Mangalarati, present it with flower garlands, fruits, etc., to His Highness; (2) to make Thailabhisheka and Diparadhane to the major and minor Vigrahas in the Nanjangud temple; and (3) to prepare Salyanna and other sweetmeats and offer them as Neivedya to the deity and then present them as Prasada. The Deputy Commissioner has submitted for sanction the marginally noted bills aggregating Rs. 553-2-3, being the cost incurred during the several visits of His Highness the Maharaja and the members of the ruling family.

„ December 1905 ...	93	3	7
„ July 1906 ...	95	12	8
Total ..	553	2	3

2. With reference to the above, the Government observe that in the late Chief Commissioner's Proceedings of the 13th March 1879 read above, it was directed that the expenditure to be incurred during each visit of His Highness should be limited to Rs. 10 in the case of a Vishnu temple and to Rs. 5 in the case of other temples and that the actual charge within the limit as fixed above, should be debited to the contingencies of the taluk concerned and that whenever a larger expenditure than that prescribed, had to be incurred, special sanction should be obtained thereto, the additional charge being met out of the district contingencies, without, in either case, indenting on the temple funds. This order, however, appears to have been lost sight of till the year 1901, when the Government in their Proceedings No. 375-84 read above, observed that the visits of His Highness should not be made the occasion for spending large sums of money from temple funds, the scale prescribed by the late Chief Commissioner being ample.

3. An examination of the bills now submitted by the Deputy Commissioner discloses the fact that the local authorities have incurred expenditure in a somewhat extravagant manner, and have also included in the bills items unconnected with the *Istakapal Maryades*. The bills range in cost from Rs. 70 to Rs. 124 for each visit, large sums are put down for oil for Thailabhisheka to the Bhaktavigrahas and Diparadhane and considerable sums are shown as expended for the preparation of Bhakshas for being presented as *Prasada*.

4. The expenditure of something like Rs. 100 for each visit of His Highness the Maharaja being too heavy a charge on the temple funds, the Government consider it necessary to regulate and restrict the cost to a certain fixed amount for the future.

5. The *Istakapal Maryades* which consist of taking *Purna Kumbha* to the *Istakapal* place with the temple paraphernalia and of presenting flowers, cocoanuts and plantains, need not exceed Rs. 3 at a time. When His Highness visits the temple, the flower garlands, etc., which are presented at the several shrines, need not also exceed Rs. 3 in cost, and the cost of the preparation of special Bhakshas in small quantities for presentation as *Prasada* need not exceed Rs. 10. Thus, the total cost on each visit comes up to Rs. 16, and allowing for other unforeseen expenses, the Government of His Highness the Maharaja are of opinion that a sum of Rs. 25 for each visit to Nanjangud of His Highness or any other member of the ruling family, should be sufficient for the temple honors under reference, and they accordingly direct that the expenditure be restricted to that amount in future, the charge incurred on this account being debited to the funds of the temple. This expenditure being a proper charge on temple funds, the Taluk or District contingent allowances need not be indented upon for this purpose as originally directed by the late Chief Commissioner.

6. As regards the cost of Thailabhisheka of the Bhaktavigrahas and the white-washing of the temple, which has been included in the bills now submitted for sanction, the Government observe that the charge is one unconnected with *Istakapal* honors and should not be included in the bills therefor. The Thailabhisheka and the white-washing should be done once a year just before the Girijakalyana and the cost thereof separately billed for and sanction obtained.

No. 3936-46—Muz. F. 165 of 1892, dated Bangalore, 15th February 1907.

Order thereon.—From the correspondence ending with the Deputy Commissioner's letter of the 6th November 1906, read above, it is observed that on each occasion of the visit of His Highness the Maharaja and the members of His Highness' family to Nanjangud, it is usual for the temple authorities (1) to take *Purna Kumbha* from the temple to the *Istakapal* place, and after making Mangalarati, present it with flower garlands, fruits, etc., to His Highness; (2) to make Thailabhisheka and Diparadhane to the major and minor Vigrahas in the Nanjangud temple; and (3) to prepare Salyanna and other sweetmeats and offer them as Neivedya to the deity and then present them as Prasada. 7. With the foregoing remarks, the Government are pleased to sanction the bills aggregating Rs. 553-2-3 and forward them to the Comptroller for audit and return to the Deputy Commissioner for payment, the cost being debited to the savings of the Sri Srikanteswaraswami temple at Nanjangud, the expenditure having been actually incurred before the bills were submitted to Government for sanction.

(1) Letter No. 536—356, dated 23rd November 1906, from the Deputy Commissioner, Shimoga District, stating, with reference to Government Proceedings (Geological) No. 1229-32, dated 12th December 1905, that a notice of demand for arrears of assessment on lands comprised in the Hiriyur Mining Block was issued on the 10th February 1906 to the lessee Major General R. A. Cole, that a copy of the notice was also posted on the block at the same time, that the period of six months allowed for payment of assessment expired on the 10th August 1906, and that the assessment on the block has not been paid yet and that no arrangements have been made for working the block.

(2) Letter to the Revenue Commissioner No. 1398, dated 6th December 1906, forwarding the above for any suggestion he may wish to make thereupon and observing that under the circumstances the only course left for adjustment of arrears is to appropriate the deposit held in respect of the lease towards a portion of the arrears and write the remainder of the arrears off the accounts.

(3) Letter No. 6217, dated 8—14th December 1906, from the Revenue Commissioner in Mysore, stating that enquiries should be made as to what the actual amount of the arrears are up to date and whether there are any assets on the block out of which the arrears could be realized and that if there are no assets, the action proposed to be taken in the above letter appears to be the only alternative.

No. 2077-80, DATED BANGALORE, 8—9TH FEBRUARY 1907.

ORDER THEREON.—Under the circumstances reported by the Deputy Commissioner, the Government are pleased to direct the cancellation of lease (No. 104, dated 24th August 1897) of the Hiriyur Block granted to Major General Cole and the resumption of the block to Government at once.

2. As regards the adjustment of arrears, the Deputy Commissioner should forthwith report to Government (through the Revenue Commissioner in Mysore) the actual amount due up to date and whether there are any assets of the lessee on the block (such as buildings, machinery, etc.) out of which the arrears or any portion thereof could be realized by Government. In case any lands comprised in the block are under cultivation, it should also be stated whether the occupant has derived his title from the lessee or from the Government and how far he is liable to Government for payment of any portion of the arrears.

3. If there are no means whereby the arrears can be recovered either in whole or in part, the only course left will be to appropriate the deposit held by Government in respect of the lease towards a portion of the arrears and write the remainder of the sum due off the accounts.
